RE: Signer Buick-Cadillac

Dear Ms. Docherty,

Don Signer, owner of Signer Buick-Cadillac in Newark, California has been a stalwart in our community for over 20 years. Not only has his dealership sold quality vehicles to thousands of local individuals, he has also been involved in countless charitable and community causes.

I was disappointed to hear that Mr. Signer has had great difficulty with General Motors over the proposed relocation of his dealership from Newark to Fremont. I understand that this dispute is currently the subject of litigation between the parties.

Given Mr. Signer's commitment to his business and the surrounding community, I hope that General Motors extends him every opportunity to continue with a successful dealership.

I am available to discuss this matter with you or any of your representatives. Please do not hesitate to contact my office if I can be of any use in resolving this dispute.

Sincerely,
