Dear Buick-Pontiac-GMC Dealer Council Member:

Just as GM is working to reinvent itself as a leaner, more customer focused company, we too, are reinventing the Buick-Pontiac-GMC Dealer Council. As we announced on our June 23 conference call, we are discontinuing the LMA Dealer Advisory Board and adding five additional members to the Dealer Council effective immediately. These Regional appointments to the council will enable us to retain solid advertising support and integration as we make this transition.

Please join me in congratulating and welcoming:

- **Inder Dosanjh**, Dublin, Calif. (Western Region)
- **Larry Oggs III**, Metairie, La. (South Central Region)
- **Mike Bowsher**, Kennesaw, Ga. (Southeast Region) – Council Co-Chair
- **Bryan O'Reilly**, Newtown Square, Pa. (Northeast Region)
- **Terry D'Arcy**, Joliet, Ill. (North Central Region)

This announcement also marks the return of Mike Bowsher as Council Co-Chair. As you are aware, Mike took a leave of absence and is now ready to resume this leadership role once again. Mike Mullaney and Mike Bowsher will work together on a transition plan for our council in the coming months.

In addition, I personally want to thank Mike Mullaney for his leadership during these unprecedented times. He helped guide us through the most challenging time in the history of our industry in addition to helping us navigate a bankruptcy filing and the wind down of Pontiac.

Our next face-to-face meeting, as we announced, is scheduled for July 21 - 22, 2009 in Detroit. A member of our staff will contact you to discuss travel arrangements. Meanwhile, if you have questions about the meeting, please contact Phil Lickman, Field Operations Manager, philip.lickman@gm.com.

As always, thank you for your commitment and support of this vital process.

Sincerely,

A handwritten signature in black ink that reads "Susan E. Docherty".
