Re: Don Signer Buick-Cadillac, Inc. v. General Motors Corp.

Dear [REDACTED]

Despite my earlier communications to you, your client continues to contact GM concerning matters relating to the pending litigation, most recently in a February 10, 2009 e-mail addressed to Jason Jackovich.

Just to make sure GM's position is clearly understood, please advise your client that GM representatives have been instructed not to respond to such communications because of the litigation your client has chosen to file.

Specifically, GM will not discuss the award of any additional franchises to Don Signer Buick-Cadillac, Inc. so long as that litigation, which has no legal or factual basis, remains pending.

Very Truly Yours,

[REDACTED]
