

Gary Spinella 1/23/07

He stopped in:

- Wells changeover
- I told him I had put up with crap from GM for 16-18 years, now it's my turn.
- You know me as Mr. Nice Guy. Those days are gone.
- Gary asked if I had heard from GM. I said I heard today and we will go to mediation.
- After all the crap I have put up with, I will take it as far as I have to.
- GM created a monster in me.
- After all these years I am left with an empty basket..
