Note: Two other correspondences were sent, but had no date gap tracking. One was the initial IRS FOIA request sent by my CPA in June 2009, but it was undated and wasn't sent certified. The other was my 8/26/10 complaint amendment sent to TIGTA. The letter was in the FOIA file I received from TIGTA, but it had no date stamp and TIGTA sent no acknowledgement letter.

Dear Sir/Madam:

I wish to report two actions by the Internal Revenue Service involving my corporation, Don Signer Buick-Cadillac, Inc., Federal Tax ID # [REDACTED] and my personal tax return in the name of Donald R. Signer, SS # [REDACTED]

This report concerns a series of events in which I believe the Internal Revenue Service conspired with General Motors ("GM") to harass and financially damage me. It is my strong opinion that GM's longstanding expressed desire to acquire my franchises for its unilateral interests provided the motive for it to commit multiple unconscionable acts to financially and emotionally weaken me into conceding to its wishes. In two of these acts, I believe that GM used its influence as a powerful American corporation to attain the assistance of the IRS toward this end. The damaging actions by the IRS are consistent with other GM and GMAC acts of harassment I feel I have satisfactorily proven and described in detail with supporting documents at donsigner.com. You will note that I have blocked the names and employee numbers of IRS personnel from IRS documents I have posted on my website.

In my opinion, extensive evidence overwhelmingly suggests that GM prompted the IRS to initiate an audit in 2005 for my corporation's 2003 tax year, and then in 2007 and 2008 to make damaging changes to my 2005 and 2006 personal tax returns. While I did not agree with the 2003 tax year audit conclusion, I did not appeal it for reasons described in an attached letter. The 2007-2008 action by the IRS led to what I believe was an improper disallowance of a business bad debt deduction, and resulted in an additional tax of \$111,488 with interest. Although I vehemently disagreed with the IRS's determination, due to a consuming legal conflict with GM and GMAC and a severely deteriorating auto business environment, I chose not to take on the additional time and expense burden of contesting the assessment. Accordingly, I paid the amount in July 2008.

In the months that followed my payment of the additional tax, I connected additional dots in what I believed was GM/IRS collusion. Then, in January 2009, in depositions resulting from the aforementioned lawsuit I filed against GM and GMAC, GM's attorney questioned me on relevant documents I had furnished in discovery, and why I felt GM caused the IRS audits. I responded with the various reasons I felt GM did so. After hearing the reasons for my belief, GM's attorney asked me if I would be "claiming monetary

Dear Mr. Signer:

I am responding to your Freedom of Information Act (FOIA) request dated December 17, 2010 that we received on December 20, 2010.

I am unable to send the information you requested by January 20, 2011, which is the 20 business-day period allowed by law. I apologize for any inconvenience this delay may cause.

STATUTORY EXTENSION OF TIME FOR RESPONSE

The FOIA allows an additional ten-day statutory extension in certain circumstances. To complete your request I need additional time to search for, collect, and review responsive records from other locations. We have extended the statutory response date to February 3, 2011, after which you can file suit. An administrative appeal is limited to a denial of records, so it does not apply in this situation.

REQUEST FOR ADDITIONAL EXTENSION OF TIME

Unfortunately, we will still be unable to locate and consider release of the requested records by February 3, 2011. We have extended the response date to February 28, 2011 when we believe we can provide a final response.

You do not need to reply to this letter if you agree to this extension. You may wish to consider limiting the scope of your request so that we can process it more quickly. If you want to limit your request, please contact the individual named below. If we subsequently deny your request, you still have the right to file an administrative appeal.

You may file suit if you do not agree to an extension beyond the statutory period. Your suit may be filed in the U.S. District Court:

- Where you reside or have your principal place of business
- Where the records are located, or
- In the District of Columbia

You may file suit after February 3, 2011. Your complaint will be treated according to the Federal Rules of Civil Procedure applicable to actions against an agency of the United States. These procedures require that the IRS be notified of the pending suit through service of process, which should be directed to:

Commissioner of Internal Revenue
Attention: CC:PA: Br 6/7
1111 Constitution Avenue, NW
Washington, D.C. 20224

The FOIA provides access to existing records. Extending the time period for responding to your request will not delay or postpone any administrative, examination, investigation or collection action.

If you have any questions please call Senior Disclosure Specialist [REDACTED], ID # [REDACTED], at [REDACTED] or write to: Internal Revenue Service, Disclosure Scanning Operation, 4800 Buford Highway, Mail Stop 93A, Chamblee, GA 39901-0093. Please refer to case number F11362-0031.

Dear Mr. Signer:

This is in response to your Freedom of Information Act (FOIA) request dated February 9, 2010 [sic], seeking access to records maintained by the Treasury Inspector General for Tax Administration (TIGTA). Specifically, you are seeking "all documents produced to date by all parties relative to the investigation of [your] complaint [#55-1007-0052-C]." TIGTA's Disclosure Branch received your FOIA request on February 9, 2011.

We have located sixty-eight (68) pages pertaining to Complaint #55-1007-0052-C. We are releasing thirty-nine (39) pages in full and eleven (11) pages in part. Copies are enclosed. We are withholding eighteen (18) pages in full. We are asserting FOIA subsection (b)(7)(C) as the justification for withholding.

FOIA subsection (b)(7)(C) permits an agency to withhold "information compiled for law enforcement purposes the release of which could reasonably be expected to constitute an unwarranted invasion" of the personal privacy of a third party. The withheld information consists of identifying information of individuals other than you, including the identities of and information provided by third parties. Releasing this information would not shed any light into the Agency's performance of its official functions and could result in an invasion into the personal privacy of the individuals whose names and personal information have been withheld. The information was compiled for law enforcement purposes and the privacy interest of the third parties outweighs the public's interest in having the information released. As a result, this information has been withheld in response to your request.

We can neither confirm nor deny whether TIGTA has any other documents responsive to your FOIA requests. To reveal even the fact of whether a **third party** was the subject of an investigation could reasonably be expected to constitute an unwarranted invasion of the personal privacy of that individual and/or constitute confidential tax return information as that term is defined in I.R.C. § 6103(b)(2). Therefore, to the extent any additional information responsive to your FOIA requests might exist, such information

would be exempt from disclosure pursuant to FOIA subsection (b)(3) in conjunction with I.R.C. § 6103(a) and/or FOIA subsection (b)(7)(C).

We have enclosed an information sheet that explains the subsection cited above, as well as your administrative appeal rights. You may appeal this decision within thirty-five (35) days from the date of this letter. Your appeal must be in writing and signed by you. Please address the envelope as follows:

Freedom of Information Act Appeal
Treasury Inspector General for Tax Administration
IG:CC Room 700A
1125 15th Street, NW
Washington, DC 20005

Since the cost incurred for processing this FOIA request is less than \$25.00, the threshold set by Treasury's FOIA regulation, we are not assessing any fees.

Re: TIGTA complaint #55-1007-0052-C

Dear Sir/Madam:

This is an appeal request for documents related to my Freedom of Information Act request dated February 9, 2011, a copy of which is enclosed. (Letter was erroneously dated "2010.") I hereby request: 1. All 23 pages of documents that were withheld in the two groups of responsive documents. 2. Replacement copies of the 24 pages furnished to me that were partially redacted, with replacements to be copies of original pages before modification.

Copies of two TIGTA response letters, dated March 9 and April 12, 2011, are enclosed. The first TIGTA response resulted in a production of documents that represented only a fraction of documents I had provided to TIGTA. After I reported the shortage to the Disclosure Officer, an additional group of documents was located and provided as noted in the second enclosed letter. It should be noted that dozens of pages of documents I have provided TIGTA were still not included in either response.

Please send documents to the address shown at the top of this page. You may contact me with any questions at 510-[REDACTED] or 510-[REDACTED]. E-mail may be directed to don@donsigner.com.

Thank you for your attention to this matter.

Sincerely,

Donald R. Signer

Re: Freedom of Information Act (FOIA) Appeal Dated May 7, 2011

Dear Mr. Signer:

This is in response to your May 7, 2011 letter to the Treasury Inspector General for Tax Administration (TIGTA), in which you sought to appeal TIGTA's April 12, 2011 response to your Freedom of Information Act (FOIA) request dated February 9, 2011, seeking access to records maintained by TIGTA.

In your FOIA request, you sought to obtain all records regarding a complaint you filed, complaint #55-1007-0052-C. By letters dated March 9 and April 12, 2011, TIGTA's Disclosure Officer provided you with responses to your request. Copies of the March 9 and April 12, 2011 responses are attached.

In the March 9, 2011 letter, the Disclosure Officer advised you that sixty-eight (68) pages were responsive to your request. Of those, thirty-nine (39) pages were released in full and eleven (11) pages in part. Eighteen (18) pages were withheld in full. FOIA subsection (b)(7)(c) was asserted as the justification for the withholding.

In the April 12, 2011 letter, the Disclosure Officer advised you that an additional one hundred and twenty-five (125) pages were located that were responsive to your request. Of those, one hundred and seven (107) pages were released in full and thirteen (13) pages in part. Five (5) pages were withheld in full. FOIA subsection (b)(7)(c) was asserted as the justification for the withholding.

After a careful review of the documents, we have identified an additional 22 pages that are responsive to your request. Of those, we are releasing thirteen (13) pages in full and one (1) page in part. We are withholding nine (9) pages in full and exert FOIA subsection (b)(5) as the justification for the withholding.

As a result of our review of the documents previously withheld in full or in part in response to your request, we have determined to uphold in part the Disclosure Officer's determination. We are releasing an additional nineteen (19) pages in full and thirteen (13) pages in part. We uphold the remainder of the release determinations. However, after careful review, we have determined that FOIA exemption (b)(5) is the basis for withholding documents in full and/or in part in response to your FOIA appeal.

FOIA exemption (b)(5) exempts inter-agency or intra-agency memorandums "which would not be available by law to a party other than an agency in litigation with the agency." 5 U.S.C. § 552(b)(5). The withheld records contain information protected under the deliberative process privilege, the attorney-client privilege, and the attorney work-product privilege and are therefore exempt from disclosure to you under the FOIA.

The FOIA requires us to advise you of the judicial remedies granted in the Act. You may file a complaint in the United States District Court for the district in which you reside, or have your principal place of business, or in which the agency records are located, or in the District of Columbia.

If you have any questions, please contact Daphne Levitas at (202) 622-4544.

Sincerely yours,

Gladys M. Hernandez
