RE: Fremont Auto Mall

Dear Paul:

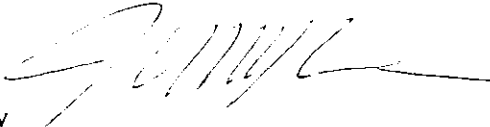

The Auto Dealers have asked that I write and express their sincere appreciation to the Chamber of Commerce for the continued support the Chamber has given to the Auto Mall.

The Chamber early recognized the significance to the City of Fremont of developing the largest, most successful Auto Mall. Toward that end, the Chamber and its members have provided continuing support.

Please convey to all your members the gratitude of the Auto Dealers. In the years to come, I am sure we will all be proud that by causing the Auto Mall to be developed in Fremont, we did a good thing for the City.

Sincerely,

McKEEHAN, BERNARD & WOOD
