

12-14-89

3:00 Took to Frank's office. Statement of premises dated 8-88, copies of several items from Auto Center file. Gave copy of Santa Fe agreement, checks written for Auto Center property, copies of McKeever letters, Argus articles, etc.

He said he would write his recommendation (as discussed 12-1) & send to Detroit. He told me not to expect a response before Christmas.
