Bob Henderson called on behalf of Merty,  
said he had ~~gotten~~ had conversation  
w/ Knox today. Said Motors Holding  
very conservative, probably not interested  
anyway. Said moving cost is concern.  
Dlr. in Fla went into new facility, lasted

not in Auto center, was new point)  
He said if they helped me, would be asked  
~~for~~ help ~~for~~ many others. Said they  
were concerned about my equity position.  
I told him about my career, 39 yrs old,  
plan to be here long time. He said he  
didn't realize that. I told him I've been  
loyal Buick dlr, <sup>204<sup>th</sup></sup> others sold out (Honda,  
Toyota dlr.) ~~I said~~ I said "so it  
sounds like if I were in better equity  
position, you could help." He said  
yes. I said tell me how much, I'll  
take a look. He said he will look at  
my fin stmt tomorrow, talk to Knox,  
then call me.
