- Q told him my background, Dad's, since hanging through tough times. Told him lost 6 mo. '89, Buick share dropped to 2.370. Told him worst case in Auto Center, Buick + Cad would have bldg. to put someone in. He asked if I had the money to move, & how much bldg. I told him 2.5-2.6 Mil + carrying costs, I only wanted guarantee not subsidy; Told him Mother could help w/ move, but w/ Cad in mean time could make some \$. He asked what Cad had offered. I said they would share what Buick did. He laughed. I concluded by saying I would contact ~~Ed~~ <sup>Cad</sup> & have them contact him. He didn't comment.
